01

Company profile

Helping Customer: Cost Savings, Increased Productivity, Improved Production Environment.

02

product description

TENGDI mainly exports various equipment and related accessories required by steel pipe producers and steel processing plants.

03

Business advantage

Professional organizational structure, experienced sales team, highly skilled research team, efficient brand operation team.

04

company culture

Company philosophy: help customers save costs, increase productivity, and improve the production environment.

05

Summarize

Let the world fall in love with Made in China.

PART ONE

COMPANY PROFILE

we are the partner of your productivity improvement, customized.

01

01 COMPANY PROFILE

Shijiazhuang Tengdi Machinery Trading Co., Ltd. integrates R&D, production, sales and service.

Factory area: 8000 square meters;

Company personnel: 50;

Engineer team: 10 engineers, 3 senior engineers;

Sales and operations Team: 10

Two joint ventures, 30 engineers totally.

Following the concept of independent innovation, the Tengdi team has designed a series of production lines that are easy to operate and maintain.

This is just a small part of the reasons why customers trust Tengdi.

01 COMPANY PROFILE

Tube Mill

Type: ERW & API steel pipe mills, stainless steel pipe mill, , spiral welded pipe production line, etc.

Diameter specifications: ranging from 8mm-3400mm.

Non-standard customization according to different needs.

Strip Processing Equipment

Types include:Slitting Line, Cutting to length Line, Cold Rolling Mill, Pickling line, Cranes etc.

Forming Machine

Heavy-duty specifications: High way profile, heavy C&U steel, various special profiles, etc.

Small specifications: cable tray, small warehouse shelves, photovoltaic brackets, CZ steel.

Auxiliary Machine & Spares

Auxiliary machines: Ends facer, Hydrotester, H.F. Solid State Welder, Threading machine, Automatic stacking machine, etc.

Spare parts: Rollers, shafts, gears, saw blades, impders, etc.

2000**Broaden the domestic market**

The first 10-inch API pipe making machine was successfully operated, equipped with 1850×8mm slitting line.

**2008****The TD team was established.**

We exported the second domestic cold saw to foreign countries.

**1993****First entry into the steel pipe industry**

Became the first batch of core members of China's welded pipe machinery industry.

**2006****International Business**

Technological innovation, China's manufacturing gradually reveals its advantages

**2006 to present**

Exhibition + Network Marketing
At the same time, the improvement of direct forming technology and the maturity of steel pipe stacking technology.

Total performance

The total performance in 2022 is 40 million yuan for tube making line.

Iteration of technology

Every year, TENGDI invests 60% of its total profits in technology research and development.

Service improvement

Participate in exhibitions and visits, customer training and technical services.

Outlook for 2023

With the Chinese policy, we set the target at 80 million RMB.

Expand the team

Enhance team capabilities and enhance employee happiness and sense of belonging.

PART TWO

PRODUCT DESCRIPTION

02

TENGDI mainly exports various equipment and related accessories required by steel pipe producers and steel processing plants.

Tube Mill

Cut to length Line

Slitting line

10" Tube Mill, 1850 x 6mm Slitting Line

And it also includes 3-inch, 4-inch, 6-inch tube mills, as well as more than a dozen production lines of their high-frequency, cold saws, spare parts, etc.

**Combined slitting and cut to length line, with slitter quick change
2000x 12.7/16mm**

Automatic stacking and packing machine for 2inch & 4inch mill, rollers, TCT/HSS saw blades.

2000x12.7mm slitting line, 12 inch tube mill.

3 inch ERW tube mill, Hot Dip GI pipes making line, scarfing making machines, old mill modify projects, etc.

UPDATED PRODUCTS - HEAVY TUBE MILL & SLITTING LINE

Sr.	Export Project Description	Quantity	Country	Company Name
1	12" ERW Tube Mill	1 set	Ukraine	Slavsant Tube Plant
2	12" Pipe Making Rollers	17 sets	Ukraine	Slavsant Tube Plant
3	2000mm x 12.7mm Slitting and Cut to Length Line	1 set	Ukraine	Slavsant Tube Plant
4	1600 x 8mm Cut to Length Line	1 set	UAE	Sun Global
5	1600 x 8mm Slitting Line	1 set	UAE	Ajmal
6	1800mm x 16mm Slitting Line	1 set	Pakistan	International Industries Ltd.
7	12" ERW Tube Mill	1 set	Pakistan	International Industries Ltd.
8	1"- 8" Steel Pipe Hot Dip Galvanize Line	4 sets	Pakistan	International Industries Ltd.
9	1600 x 1-8mm Cut to Length Line	1 set	Nigeria	Sun Global
10	ERW426 API pipe mills	1 set	Indonesia	P.T Servotech
11	LW1200 cold bending welding pipe mill line roller sets	1 set	Indian	Ramake Steel Co
12	10" API 5L Tube Mill	1 set	India	NEZONE
13	1800mm x 6mm Slitting Line	2 sets	India	NEZONE
14	457 x 20mm API pipe line	1 set	India	Man Industry
15	HG200 HF welding square pipe mill line	1 set	Ethiopia	Agent
16	HG273 HF welding pipe mill line	1 set	Egypt	Agent
17	ERW306 HF welding pipe mill line	1 set	Brazil	Ritor Renato Stollmeier
18	ERW355 API pipe mill	1 set	China	Tangshan wenfeng company
19	250 x 250mm directly pipe forming line	1 set	China	Jingye Group

Sr.	Export Project Description	Country	Company Name
1	0.8 × 850 Leveling Oil Grinding and Unwinding Machine	USA	Northern Engraving Corporation
2	4.0 × 1850 Slitting Equipment Production Line	India	APL APOLLO TUBES LIMITED
3	3.0x1400 Leveling and Cut-to-Length Equipment Production Line	Philippine	SONIC STEEL INDUSTRIES INC.
4	1.2x1300 Double-Slit Slitting Equipment Production Line	Nepal	HULAS STEEL INDUSTRIES LIMITED
5	1.2x1400 Double-Slit Slitting Equipment Production Line	Philippine	SONIC STEEL INDUSTRIES INC.
6	3.0 × 1600 Slitting Equipment Production Line	India	TIPPERS & TRAILERS INDIA PRIVATE LIMITED
7	3.0 × 850 Slitting Equipment Production Line	Vietnam	HOA BINH INOX
8	3.0x1600 Leveling and Cut-to-Length Equipment Production Line	India	SUSHIL KUMAR SANJAY KUMAR
9	8.0x1600 Double-Slit Slitting Equipment Production Line	India	VENUS PIPES AND TUBES LIMITED
10	3.0x1650 Double-Slit Slitting Equipment Production Line	China	FUJIAN XIA MEN CHANGTAI KUN STEEL INDUSTRY & TRADE CO. , LTD
11	2.0x1300 Cut-to-Length Line with Trimmer	China	FOSHAN RONGZHONGYUAN STAINLESS STEEL CO. , LTD
12	3.0x1650 Flying Cut-to-Length Line	China	NANPI COUNTY HONGZHENG
13	2.0x900 Flying Cut-to-Length Line	China	FOSHAN CITY LUYING METAL PRODUCTS CO. , LTD
14	3.5x1300 Double-Slit Slitting Equipment Production Line	China	JOHNSON ELECTRIC

ROLL FORMING

Strong resource integration capabilities can help customers find the best domestic product resources as soon as possible.

UPDATED PRODUCTS - CUT-TO-LENGTH/SPLITTING LINE

Double-blade slitting knife, saving 60% in tool change speed.

Cross cutting flying shear equipment, high efficiency, cost reduction and efficiency increase.

Strong resource integration capabilities can help customers find the best quality product resources in China as quickly as possible.

PART THREE

BUSINESS ADVANTAGE

Professional organizational structure, experienced sales team, highly skilled research team, efficient brand operation team.

03

BUSINESS ADVANTAGE-Factory Strength

In line with the internationalization strategy, TENGDI has established three overseas offices to serve customers in 50 countries and regions including the Middle East, Eastern Europe, and South America. Products are widely used in oil pipelines, steel structures, low-pressure fluids, automobiles, furniture and other fields.

Our designs are customized according to the needs of our clients. All electrical components and supporting facilities adopt international components.

BUSINESS ADVANTAGE-Exhibit

BUSINESS ADVANTAGE-HONOR

Honor comes from hard work.

Each recognized qualification certificate is the crystallization of our hard work, and each honor is a signpost and a journey.

We will also take each honor as a starting point, and continue to forge ahead and surpass ourselves.

The team independently developed and obtained more than 20 patents, passed ISO9001 quality management system certification and environmental management system certification.

PART FOUR

COMPANY CULTURE

Company philosophy: help customers save costs, increase productivity, and improve the production environment.

04

COMPANY CULTURE

OUR TEAM

Improve team cohesion, communication and collaboration skills, and care for employee growth.

COMPANY CULTURE

PART FIVE

Summarize

Let the world fall in love with Made in China.

05

THANK YOU
